EVENTS!

🎃 We hope everyone had a great Halloween! Our offices were decorated for the spooky season, and it was wonderful to see both staff and clients enjoying a bit of festive fun as autumn set in.

📽️ We also spent time filming new videos for our social media channels, which will be shared over the coming weeks. These short clips are a chance for us to highlight legal insights, showcase our staff, answer Q&A's, and give a behind-the-scenes look at the work we do.

📚 A real highlight this month was our Clinical Negligence and Personal Injury team's training day with 42BR Barristes. The day was full of practical insights, shared knowledge, and useful discussion, followed by a team lunch at Cin Cin where we enjoyed good food and great conversations. It was not only valuable training but also a chance to strengthen connections across the team.

As we head into November, we're looking forward to what promises to be a busy season as we move closer to the end of the year, with plenty more updates and milestones to share soon.

WHAT OUR CLIENTS SAY

We are always appreciative of positive feedback from our clients, and this month we are thrilled to share some amazing comments for Jayne Lucinda, a solicitor in our Commercial Property team.

Jayne, who joined us this year, earned her LLB (Hons), LPC, and Master of Laws degrees before becoming qualified in 2024. She obtained useful experience assisting clients with a variety of property matters while working at a reputable Brighton firm prior to joining GoodLaw.Jayne has received her first client review with the firm, a fantastic milestone and hopefully the first of many!

Here's what her client had to say:

"GoodLaw by name and nature. Great firm, helpful and professional. We will be using them again for all our legal matters in the future."

Well done Jayne, and congratulations on such positive feedback.
