EVENTS!

As we settle into 2026, February brings lots to look forward to both in and outside the office.

This month we'll be recognising Children's Mental Health Week (9th Feb to 15th Feb), which is such an important opportunity to open up conversations and raise awareness around young people's wellbeing.

We're also marking Valentine's Day the GoodLaw way, with kindness, gratitude and appreciation for the people we work with every day. And of course, Pancake Day is on the horizon too, so we'll be flipping a few treats in the office to keep spirits high!

It's shaping up to be a lovely month of connection, community and celebration, and we're excited for everything else the year has in store. Here's to a bright February!

WHAT OUR CLIENTS SAY

We are always grateful to receive kind words from our clients. Here is some outstanding feedback that stood out this month for Alix Brigden.

"IWills & LPOA's"
"We recently used Goodlaw Solicitors to prepare our wills and lasting power of attorney. The service we received was excellent. They made the process very easy and provided us with valuable advice. I highly recommend them."

"Straightforward and approachable".
"I created a new, simple will with the help of Alix Brigden. Everyone I encountered at GoodLaw was friendly and approachable. Alix was knowledgeable, helpful and professional. An easy experience from start to finish. I recommend for the creation of wills."

Huge well done Alix!

GOODDEED AWARD!

We're also pleased to announce that this month's Good Deed Awards go to Niamh McCarthy..
Since joining the team, Niamh has been a huge asset. I have been particularly impressed by her commitment to our clients and the work she had put into raising the clinical negligence department's profile.
Last year, she prepared the application for Chambers and Partners/Legal 500, which resulted in the clin neg team being listed in the Legal 500 for the first time ever, and we were also listed in Chambers and Partners, which we had not been listed in since 2018. She has recently submitted the application 2027. Whilst the results are awaited, her application was again really excellent and she has gone to great efforts to build on last year's success. She has also supported Owen's team with their Chambers and Partners application.
In addition to this, she recently entered the department for the SME Legal Awards 2026, and we won the Outstanding Regional Law Firm of the Year 2026 award.
Although she did not nominate herself, based on her profile and the strength of her application on behalf of the firm, Niamh won the Clinical Negligence Paralegal of the Year 2026 award.
These are all really great achievements for the department and also a testament to Niamh's hard work and dedication to the team. I am incredibly proud of her and grateful for her hard-work and enthusiasm.
