EVENTS!

As we welcome March, we're taking time to recognise and celebrate the people who shape our firm and community every day.

On 8th March, we'll be marking International Women's Day, a brilliant opportunity to recognise and thank the women who make a difference across our firm, in our client community, and throughout the legal profession. It's a moment to celebrate achievements, encourage progress and highlight the importance of equality in everything we do.

We're also looking ahead to Mother's Day on the 15th, and sending our warmest wishes to all the mums, step-mums, carers, and mother figures we work alongside and support. However you spend the day, we hope it brings some love, rest and recognition, you deserve it!

Here's to a thoughtful, positive March and all the good things it brings.

WHAT OUR CLIENTS SAY

We are always grateful to receive kind words from our clients. Here is some outstanding feedback that stood out this month for Danni Grinstead .

“Brilliant Support in Stressful Times”.
“Dealing with court proceedings regarding children is incredibly grueling, but Dannielle Grinsted made the process manageable. She offered expert guidance and took over all the complex legal correspondence, which was a huge weight off our shoulders. She is not only highly professional and skilled at what she does but also genuinely kind and polite. We can’t thank her and the firm enough for standing by us. If you need a solicitor who truly cares, we highly recommend Dannielle.”

Huge well done Danni.

GOODDEED AWARD!

We’re also pleased to announce that this month’s Good Deed Awards go to Jade McKay.

Jade has been a highly valued member of the firm since joining in January 2021. She began her career with us as a Paralegal and, through consistent dedication, hard work, and determination, has progressed into a well-respected fee earner. Jade regularly goes above and beyond in her role, making a significant contribution to the growth and development of the Private Client department. This includes supporting the recruitment and training of fellow colleagues, as well as assisting with policy updates and compliance matters.
In addition to her departmental contributions, Jade is always willing to represent the firm externally. In March, she accompanied the HR team to a careers fair at the University of Sussex, where she engaged with students about careers in law and helped promote the firm.
